

## NPDES meeting minutes

December 11, 2006

Attendees: Dean Shoars  
John Mirchich  
Wendel Reece

The list of "Important Dates" relating to the NPDES permit action items was discussed.

First on the list is putting together a Storm Water Management Team. Suggested was a 10 member team consisting of Dean Shoars, John Mirchich, Wendel Reece, Scott Hall, Terry Sheerer, Doug Lovejoy, Stuart Mackey, Dennis Nieman, and 2 students to be determined by NISG.

The annual NPDES report was discussed. It was decided that Dean Shoars will be in charge of the report with help from other members of the team.

Illicit Discharge Policy Statement and Facilities Services Newsletter were discussed. Eric Ungs, student working for the safety office has developed samples to be reviewed. It was also suggested that Eric do some research on other policy statements and plan review procedures.

Dean Shoars will talk to Dave Zarifis about incorporating the 24 hour phone hotline with Public Safety.

John Mirchich will review current language in contracts regarding construction site procedures, pollution plan procedures, and site plan review to see what might be applicable to the NPDES program.

Next meeting will consist of the Storm Water Management Team to discuss the list of important dates and who will be in charge of the action item.
